"No matter your dream, if you take the necessary small steps you will get there."
~ Ashley

"Being in Boundaries Life Skills class has given me a whole different path. I can see things from a different perspective now. It has helped me in a lot of ways!" ~ Heather

"Something I have applied to my life and relationships is to be quick to listen, slow to speak, and slow to become angry. This is powerful because it really means to not just hear, someone's words but to comprehend what they are saying. Speak slowly and with intent rather than just spewing out words or information. And finally, remember to respond versus react. Getting angry and immediately ranting is in no way healthy or productive for anyone." ~ Reanna

This week we celebrated our Life Skills Class Participants! They have been a part of Transformational Tuesdays, a series of life skills classes geared to move people that are struggling into a life of self-sufficiency. We pray that by uniting local churches and resources people's needs are met in a way that heals and strengthens the whole person: physically, emotionally, relationally and spiritually.

Volunteer Highlight

Meet Jenny, Nick & Family!

Nick, Jenny & family attend Spirit Life Church!

What is your takeaway - as a family - leading the childcare ministry for Transformational Tuesdays?

- That as a family we love doing this together not only to share Jesus, but to grow our own family's relationship with each other and those we serve.

What do you like most about serving?

- Being able to share the love of Jesus with people in our community, and seeing the impact on the kids' lives. Each week our message to the kids is all about Jesus! Knowing they are learning about Him and having a great time doing it puts smiles on our faces. Let us tell you about the best part - listening to the kids worship Jesus - can melt anyone's heart!

Caring & Sharing Room Needs

To donate items, please call Caring & Sharing at 320-760-8084 and leave a message. They will call you back as soon as they are able to schedule a drop-off time.
